

## Section 15. Plain Language Summary (Instructions Page 40)

This information is required for new, major amendment, and renewal applications. It is not required for minor amendment or minor modification applications.

If you are subject to the alternative language notice requirements in [30 Texas Administrative Code §39.426](#), **you must provide a translated copy of the completed plain language summary in the appropriate alternative language as part of your application package.** For your convenience, a Spanish template has been provided below.

### **ENGLISH TEMPLATE FOR TPDES or TLAP NEW/RENEWAL/AMENDMENT APPLICATIONS**

#### **DOMESTIC WASTEWATER**

*The following summary is provided for this pending water quality permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

City of Eagle Pass Water Works System (CN: 602520165 ) operates Main Eagle Pass Wastewater Treatment Plant (RN102183001). a domestic wastewater treatment plant consisting of extended aeration biological treatment, clarification units and chlorine disinfection. The facility is located on Farm-to Market Road 1021 approximately 5 miles southeast of the intersection of Farm-to Market Road 375 and Farm-to Market Road 1021, in Eagle Pass, Maverick County, Texas 78853.

#### **City of Eagle Pass Water Works System requests approval of a major amendment of the sludge application rate.**

Discharges from the facility are expected to contain treated domestic wastewater including small amounts of degradable organics and suspended solids. Highly treated domestic wastewater is treated by extended aeration biological treatment, clarification units and chlorine disinfection.
